

STATEMENT OF REASONS

Pembroke Road (Clifton and Clifton East wards) – Proposed Zebra Crossing

The Council proposes to introduce a new Zebra pedestrian crossing at Pembroke Road, south of its junction with Apsley Road.

The crossing has been identified as a local traffic priority by the Clifton and Clifton East Neighbourhood Partnership, in response to requests from local residents. It would provide pedestrians walking to and from local amenities, particularly children and parents accessing local schools, with a safer and more convenient means of crossing this busy distributor road.
