

INFORMATION ON THE CHESTERFIELD HOSPITAL RE-DEVELOPMENT PROJECT

Friday 10th May 2013

Dear Neighbour,

The week ahead Monday 13th May to Saturday 18th May

- Works are continuing in the main hospital and the construction of the finishes to the roof are now taking place. The fitting of the windows on the external facades is also in progress to create a watertight structure as soon as possible in order to allow further internal works to commence.
- Mechanical and Electrical works are now taking place at all levels within the building with pressure testing also progressing.
- Works to the Stable block roof and surrounding external works are continuing.
- The Grade II listed building is currently in the process of having one of its bay windows rebuilt.
- Gas and Water works will be continuing around the Fosseyway gate area.

The above photographs show the windows now in place on the first floor and the plaster to the internal walls in the basement on site as of 8th May 2012

If you have any queries on the above works that are taking place then please do not hesitate to contact me.

Best regards,

Simon
