

## INFORMATION ON THE CHESTERFIELD HOSPITAL RE-DEVELOPMENT PROJECT

Friday 25<sup>th</sup> January 2013

Dear Neighbour,

### The week ahead Monday 28<sup>th</sup> to Saturday 2<sup>nd</sup> February

- Works will continue on the structure of the new Hospital building. Ready-mix concrete lorries will be delivering to site throughout the week.
- Internal refurbishment works on the Grade II\* listed building will be on-going.
- Stone refurbishment works will continue on the former Clifton Court manor house, weather permitting.
- Roofing works will also be on-going on the manor house, again weather permitting.
- Block work will commence on the new hospital building. Now that the frame is almost complete, we have to fill in the gaps! A mortar silo is now on site to facilitate this task.

Below is the scene that greeted us on site on Monday morning!

A reminder that you are invited to attend our next Public Information Meeting which will be held at The Orangery, Goldney House, Lower Clifton Hill on Wednesday 30<sup>th</sup> January commencing at 6pm.

Best regards,

*Steve*
