

INFORMATION ON THE CHESTERFIELD HOSPITAL RE-DEVELOPMENT PROJECT

Friday 30th August 2013

Dear Neighbour,

The week ahead Monday 2nd September to Saturday 8th September

- On the main hospital, the glazed door to the second floor roof terrace has been completed with the remaining glazed units currently being fitted on site over the next week. The floor finishes on the ground floor and second floor circulation areas are now also underway.
- Refurbishment works to the main staircase of the Grade II* listed building are currently being undertaken with the floor finishes currently being prepared. In addition to this, painting and decoration is also being carried out in these areas.
- Scaffolding to the Stable Block has been removed in order to allow the outer leaf of the brickwork on the extension to be completed. Internal finishes to this building are currently ongoing.

The above photographs show the glazed door in place on the second floor roof terrace and current progress on the external facade to the main hospital as of 28th August 2013.

If you have any queries on the above works that are taking place then please do not hesitate to contact me.

Best regards,

Simon
