

**INFORMATION ON THE CHESTERFIELD HOSPITAL RE-DEVELOPMENT  
PROJECT**Friday 4<sup>th</sup> January 2013

Dear Neighbour,

Firstly may I start off by wishing you A Very Happy, Healthy and Prosperous New Year.

I would like to make you aware that unfortunately the Chesterfield site was broken into under very suspicious circumstances at 2314hrs on Sunday 30<sup>th</sup> December. Fortunately we have security systems in place that saw our mobile security contractors attend site within minutes of the intruder alarm being activated, swiftly followed by a strong Police presence. Police enquiries into the incident are on-going.

**The week ahead Monday 7<sup>th</sup> to Saturday 12<sup>th</sup> January**

- Works will continue on the structure of the new Hospital building. Ready-mix concrete lorries will be delivering to site throughout the week.
- Internal refurbishment works on the Grade II\* listed building will continue.
- Stone refurbishment works will continue on the former Clifton Court manor house.
- Roofing works will be on-going on the Grade II\* listed building.

**A reminder that our next Chesterfield Hospital Re-development Project Public Information Meeting will be held in The Reception Room at Clifton Hill House, Clifton Hill on Wednesday 30<sup>th</sup> January at 6pm**

Best regards,

*Steve*
