

## INFORMATION ON THE CHESTERFIELD HOSPITAL RE-DEVELOPMENT PROJECT

Friday 5<sup>th</sup> July 2013

Dear Neighbour,

You will no doubt have noticed the new addition to the neighbourhood in the form of the Nuffield Health sponsored Gromit, Patch. Gromit Unleashed is a fantastic idea for a very worthwhile cause and we are pleased to be able to do our bit in aid of The Bristol Children's Hospital Grand Appeal.

### The week ahead, Monday 8th July to Saturday 13<sup>th</sup> July

- On the hospital building, works will progress both internally and externally.
- Works to the stable block, both internally and externally are on-going and work has commenced and will progress on the widening of the access gateway along the shared access road.
- The Grade II listed building works will progress with decorating, flooring and fit-out and finishing works ongoing.
- The scaffolding to the rear of the listed building is gradually being removed and this will continue.

The photo shows the main boardroom in the Grade II\* listed building nearly restored to its former glory. Just the flooring left to complete.

Best regards,

*Steve*
