

INFORMATION ON THE CHESTERFIELD HOSPITAL RE-DEVELOPMENT PROJECT

Friday 9th August 2013

Dear Neighbour,

The week ahead Monday 12th August to Saturday 17th August

- Within the main hospital, installation of the ceiling finishes and decoration to the majority of rooms is now taking place. Over the next week or two, the glazed curtain walling to the staircases and main entrance area will be installed.
- Within the Grade II listed building, the meeting room floor finishes are now taking place on the ground floor and these rooms are expected to be completed in the near future.
- Works within the Grade II listed building are in the final stages, with the scaffolding in the process of being removed to the external facade.

The above photograph shows the current progress on the external facade to the main hospital as of 5th August 2013.

If you have any queries on the above works that are taking place then please do not hesitate to contact me.

Best regards,

Simon
