

INFORMATION ON THE CHESTERFIELD HOSPITAL RE-DEVELOPMENT PROJECT

Friday 9th November 2012

Dear Neighbour,

Saturday 10th November

- There will be a small crew working on site, no deliveries are anticipated.

The week ahead commencing Monday 12th

- Works will continue on the structure of the new building, which is now at ground floor level in places., with ready-mix concrete lorries will be delivering to site throughout the week.
- A very small amount of spoil being generated on site will be removed using the muck-away lorries.
- Works will continue on the internal refurbishment of the Grade II* listed building.
- Stone refurbishment works will also be ongoing to the front elevation of the former Clifton Court manor house.
- The foundation slab for the electricity sub station will be installed in the corner of the site adjacent to Saville Place on, under the watchful eye of othe Consultant Arboriculturalist.
- Works will also continue on the replacement of the various slate roofs on the Grade II* listed building. This is work in progress as the picture below, taken from the tower crane shows.

Best regards,

Steve
