

Welcome to elegant Victorian Clifton. Stroll through the gardens of stately Victoria Square. See grand houses built for Bristol's successful Victorian entrepreneurs. View a distinguished school. Learn about a boy, a bat, and a remarkably sporting record. A church, a spire, a daredevil steeplejack – what happened next?...

Follow in the footsteps of the Victorians, through leafy promenades and past grand terraces.

This family-friendly book includes:

- A circular walk around Victorian Clifton
- Easy to follow map and instructions
- Over 100 colour images
- Fascinating facts and some surprises

 PLUS A CHILDREN'S QUIZ

“Bristol is one of Europe's most exciting cities. The best way to explore the city is on foot, and I recommend this book as an excellent guide to this particularly elegant and historic part of the city.”

George Ferguson, Mayor of Bristol

Julia Killingback & Michael Pascoe
