

Your waste duty of care made simple...

Containers must:

- ✓ Have a closed and locked lid
- ✓ Contain all of the waste
- ✓ Have no side waste or litter left around them
- ✓ Be placed in a suitable or agreed location
- ✓ Be clearly labelled with the name of your business

Containers must not:

- ✗ Be overfilled so that the lids won't close
- ✗ Have lids left open or unlocked
- ✗ Have side waste and litter left around them
- ✗ Be easily accessible to the public or animals
- ✗ Create a health & safety risk
- ✗ Block access to public highway
- ✗ Pose a fire risk

These rules apply to **all sizes** of trade waste containers

Remember - you are legally responsible for your waste until it is accepted by your waste carrier
