

INFORMATION ON THE CHESTERFIELD HOSPITAL RE-DEVELOPMENT PROJECT

Friday 14th September 2012

Dear Neighbour,

Saturday 15th September

- The site will be closed, locked and alarmed

The picture above gives a view of the basement section of the new building with two out of three sections of the basement floor slab cast in place

The week ahead

- Works will continue on the foundation slab of the new building.
- Ready-mix concrete lorries will be delivering to site throughout the week.
- A small number of deliveries of re-enforcement bar will also take place.
- Installation of site wide drainage will continue.
- Works on the foundations of the stable block extension will commence
- A very small amount of spoil being generated on site will be removed using the muck-away lorries

Best regards,

Steve
