

## Queen's Road Building, Clifton

After 45 years of constant use the University made the decision to modernise this key facility by refurbishing the entire building both internally and externally. It is investing in a major project to put this building back into good repair and to make it more sustainable (aiming for a BREEAM Excellent rating) and fit for the future.

Works include enhancing its external appearance and setting, improving access and re-modelling the interiors. In addition, the proposals will focus on improving facilities for students and enhancing aspects of the building that also serve the community, such as the swimming pool.

### Timetable and phasing of works:

The main contract is taking place in two phases:

- Phase 1 involves: refurbishment of the North block, including concrete cladding cleaning and re-glazing, new swimming pool changing rooms, new offices for the University and, as part of the public realm improvements, a new extension/entrance on Queen's Road. Internal images of the Phase 1 refurbishment can be seen on the Queen's Road site hoarding.
- Phase 2 mainly involves upgrading the Students Union facilities, including the Anson Rooms, Winston Theatre, café and bars, clubs and society spaces as well as the refurbishment of the South block.

The first phase of the main contract works is due for completion by September 2012

Current work is progressing as follows;

#### *Internal works*

- Cabot Thermals enabling works on asbestos removal - ongoing
- Erection of scaffolding and safety partitions to swimming pool
- Temporary partitions/services diversions to link blocks

#### *West Elevation (Queen's Road)*

- Work on reducing levels, foundations and drainage works for new extension - ongoing

#### *East Elevation (Richmond Avenue)*

- Erection of scaffolding – ongoing

#### *Measures to minimise disruption to the local area continue:*

- The hoist will operate between 8am – 6pm, Monday to Friday and till 1pm on Saturdays.
- Skip deliveries will be scheduled outside of major circulation times eg school runs/rush hour.
- No skips will be delivered on Saturday pm or Sundays.
- Banksman will control traffic during delivery times

*Cowlin Construction is committed to the Considerate Contractor's scheme and may, from time to time, notify neighbours in adjacent streets of any specific works that might affect them.*

**PLEASE NOTE: There are no activities planned during the Christmas holiday period and the site will close from 22 December 2011, re-opening on 3 January 2012.**
